Not every man of vim wins his battle but he makes it interesting for the other fellow.

Michael Welsh of Girard, for years a resident of Mineral Ridge, died last Friday night of pneumonia.

Judge J. C. Ewing of Youngstown has purchased twenty acres of the Nathan Hallett farm at the center of Boardman.

Thieves broke into four business places in Columbiana last Friday morning but secured only \$17 worth of plunder.

Earl Strong of Atwater Station pleaded guilty to permitting the operation of a slot machine in his place of business and was fined \$50 and costs.

Considerable plowing has been done by Mahoning county farmers and had the weather remained favorable until the last of this week much oats would have been sown.

W. I. Brown of Lisbon, for many years engaged in the sewing machine business, died last Saturday of heart trouble, aged 73. He was a civil war veteran and had been a cripple more than 50 years.

W. B. Trunick, a farmer living two miles south of Lisbon, committed suicide last Saturday by shooting himself through the heart. He was 34 years old and had been in poor health for some time.

At a recent meeting of Struthers Lodge of Odd Fellows a class of 50 was initiated into the mysteries of the order. This is said to be the largest number ever taken into a lodge in Mahoning county at a single meeting.

Thousands took advantage of the pleasant weather last Sunday and visited the Milton dam which now impounds a vast body of water. For several weeks the reservoir has been full, causing the water to pour over the spillway.

Tony Spotara, an Italian 35 years old, was assassinated at East Palestine last Saturday night and another Italian giving the name of Albert Sgro is in jail at Lisbon while the case is being investigated. An attempt was made upon Spotara's life a few weeks ago and another man is being held for that crime. The dead man was highly respected and leaves his wife and three children.

The chief state inspector of weights and measures has warned dealers against selling onion sets by liquid measure. It is lawful to sell them only by weight or by dry measure. A liquid quart contains 57.75 cubic inches and a dry quart 67.2 cubic inches, so if you purchase onions by liquid quart you get only 86 per cent of what is coming to you. Onion sets weigh 28 pounds to the bushel.

Mrs. Rose Kirkbride, wife of Rev. James Kirkbride, pastor of the Mineral Ridge Presbyterian church who a few months since removed from Columbiana to Niles, died last Friday after an illness of two years following a nervous breakdown. Deceased was 62 years of age and spent much of her youth in North Benton. Besides her husband she leaves several brothers and a sister. The remains were taken to North Benton where funeral services were held Monday afternoon.

Acid Phosphate Cheapest This Spring

Owing to the high prices of fertilizers due to the European war, the Ohio Experiment Station is warning farmers not to buy complete fertilizers or any carriers of nitrogen and potassium for their spring crops. Acid phosphate is an experimental test covering more than 20 years has proved the cheapest and most effective fertilizer for this state.

Carriers of nitrogen are especially high this year, and this element has seldom returned its cost on corn and oats at the Experiment Station and its various substations scattered over the state. Where clover is grown and manure is properly applied nitrogen is unnecessary, according to soil experts.

All fertilizers containing potassium, which come from Germany, are so high in price this year that their use is not recommended.

While a fertilizer containing nitrogen, phosphorus and potassium has returned \$15.78 net profit when used at the rate of 1,070 pounds per acre in five years in a rotation of corn, oats, wheat, clover and timothy at Wooster, 320 pounds of acid phosphate alone has returned \$13.92 net, as an average, in 20 years. In other words, 100 pounds of acid phosphate has been worth nearly three times as much in net results as the same amount of complete fertilizer.

THE PURE IN HEART

Blessed are the pure in heart, They are indeed the better part, They see the things that really are In touch with God their morning star.

No soul affinities mislead Them to uphold in word or deed An act that is not truly kind And honorable to humankind. They cling to justice everywhere, To truth that is divinely fair, To love that darkens not the mind, To mercy that is true and kind.

To home the dearest place on earth Where virtue is to them a worth More beautiful and grand today Than pleasure that points to decay.

Rank Foolishness.

You occasionally see it stated that colds do not result from cold weather. That is rank foolishness. Were it true colds would be as prevalent in midsummer as in mid-winter. The microbes that cause colds flourish in damp, cold weather. To get rid of a cold take Chamberlain's Cough Remedy. It is effective and is highly recommended by people who have used it for many years as a household remedy, and know its real value. Obtainable everywhere.—adv.

Much Extra Work in March. It's between seasons when few persons perceive as health demands. The result is double work for the kidneys, to throw out waste eliminated through pores when persons perceive. Overworked kidneys need help. Dr. H. Stone, Reading, Pa., writes: "My wife and I kidney trouble. I rely on Foley's Kidney Pills." F. A. Morris.—adv.

GLOOMY ACCOUNT OF GERMAN U-BOAT WAR

Destruction of Much Shipping Is Virtually Admitted by Lord Beresford.

London, March 28.—A gloomy account of the consequences to Great Britain of unrestricted U-boat warfare was given to the House of Lords by Lord Beresford, former first lord of the admiralty.

He virtually admitted that U-boats thus far have proved themselves capable of destroying 718,611 tons of shipping in a month of 31 days. This is 281,389 tons less than the "million a month" which Germany believes will mean forcing England into a plea for peace in six months.

With surprising frankness Lord Beresford told the upper house that with longer days and calmer weather the losses must necessarily increase.

"The public ought to have the facts brought home to it," he said.

He stated that thus far in March "war measures" of the central powers have destroyed a total of more than 480,000 tons, the number of vessels sunk being 255.

He further told the lords that the number of submarines captured or destroyed was far out of proportion with the number of new submarines launched by the Germans.

As a climax to this dark picture, he expressed his belief that there were more men and greater food stocks in the German empire than had been imagined in England.

OHIO TROOPS ON GUARD

Twelve Companies of Infantry Are Now Doing Duty.

Columbus, March 28.—Twelve companies of Ohio infantry, approximately 700 men, are guarding strategic points within the state boundaries.

Four companies of the 5th, Cleveland; two infantry and one machine gun companies of the 1st, Cincinnati; and one infantry company of the 7th, Portsmouth have been called out by Gov. Cox.

The strength and assignments of these companies were not made public, and will not be, in accordance with conscription rules announced recently by Secretary of War Baker. Adj. Gen. Wood, who has charge of movements of all state troops, clamped down strict conscription regulations to prevent locations of troops becoming known.

Gov. Cox issued the call after a telephone conference with Maj. Gen. Barry, United States army, commander of the central department, Chicago.

HITS BUCKEYE FARMERS

Failure to Pass Bill Means That Money Is Held Up.

Columbus, March 28.—Farmers whose tubercular cattle and glandered horses were slaughtered by the state will have to wait another year before they can draw pay on their claims against the state. Failure to pass the sundry appropriation bill in the assembly leaves these claimants with no funds available for payment. That appears to be the principal damage done by the failure of the bill to pass. Indications for a special session next winter are stronger because of the failure of the bill.

Ask Freight Increase. Washington, March 28.—Railroad presidents representing the eastern, western and southern lines have asked the interstate commerce commission for a general increase in freight rates.

An Honest Letter From an Honest Man. Enos Halbert, Paoli, Ind., writes: "I contracted a severe cold this fall and coughed continually. Could hardly sleep at nights. I tried several remedies without relief. Got Foley's Honey and Tar and the first bottle relieved me, curing my cough entirely. I can recommend it for all coughs." Get the genuine. F. A. Morris.—adv.

HOW'S THIS WORD FROM OUR GENEVA

Woman of That City Beats Ashtabula Telling Tanlac Story.

Mrs. Grace Rose, of 96 Chestnut Street, Geneva, O., told the Tanlac man a healthy story Tuesday, which will kindle the fire of hope in the breast of every nervous, dyspeptic woman who reads it. Mrs. Rose's statement follows:

"I had been in very poor health on account of stomach trouble, for many years. I suffered from bloating, pain, shortness of breath, and acid stomach. The acid made sores in my mouth, which burned like fire. I had the kind of indigestion that kept my nerves weak and unstrung. Nervous dyspepsia, the doctors called it. Often I turned so sick, I threw up. Oh, such a weakness! I used to go to bed exhausted."

"A friend insisted on me taking Tanlac, I did so. Now I am just as well as can be. I eat good, hearty meals without a single ill feeling. Tanlac overcame this sour stomach and bloating and the acid ulcers in my mouth healed. I haven't had a nervous spell since taking Tanlac. I'm over that sick stomach and exhaustion, too. I rest so well at night now I want to jump up soon as I wake; none of that tired feeling now. Tanlac has made this the happiest springtime in many years for me. As I bask in the warm sunshine I thank Tanlac for being able to enjoy it to the fullest."

Tanlac is being specially introduced through F. A. Morris' drug store, Canfield, Ohio.—adv.

LEGAL NOTICE

State of Ohio, Mahoning County, ss. In the Court of Common Pleas, John Senesbacher, Plaintiff, vs. Charles A. Payton, Unknown Heirs and Devisees of Charles A. Payton, deceased; Unknown Heirs and Devisees of Martin N. Richards, deceased; the executor or administrator, if any there are, of M. Miller, deceased; the executor or administrator, if any there are, of Martin N. Richards, deceased; Defendants. In pursuance of an order of Court made on the 23rd day of February, 1917, the above named defendants will take notice that on the 23rd day of February, 1917, John Senesbacher filed his petition in the Court of Common Pleas, Mahoning County, Ohio, in case No. 37578 against them and each of them, setting forth that he is the owner in fee simple and in actual and peaceable possession of the following described real estate, to-wit:

First Parcel:—Situated in the City of Youngstown, County of Mahoning, and State of Ohio, and known as being City Lot nine and ten (9 & 10) and fifty-five (55) as lots are now numbered in said City. Said lot No. 9555 having a frontage on the east line of West Glenaven Avenue and extending back therefrom a distance of one hundred and thirty-nine (139) feet on the west line and one hundred and thirty-nine (139) feet on the east line and having a width in rear of thirty-nine (39) feet.

Second Parcel:—Situated in the City of Youngstown, County of Mahoning, and State of Ohio, and known as being City Lot number nine thousand six hundred and thirty-one (9631) as lots are now numbered in said City. Said lot No. 9631 has a frontage of eight-eighths (8/8) of a foot on the east line and having a width in rear of thirty-nine (39) feet.

Said petition sets forth that the records of Mahoning County Record of Mortgages show a mortgage assigned to M. Miller was released by M. J. Miller, Administrator of said estate, and that no record of appointment in Mahoning County can be found; that a certain deed executed by said Martin N. Richards, the Workmen's Home Co-operation Association, (Deed Vol. 100, page 404) sets forth that the said Martin N. Richards has a vendor's lien on said premises; that a mortgage given by Henry E. Wood and Ruth E. Wood to said Martin N. Richards (Vol. 64, page 182) was released by Mary E. Richards, widow and sole devisee of Martin N. Richards, and that no estate of Martin N. Richards is found in said county.

The prayer of said petition is that the defendants may be compelled to set forth their interests in said real estate; that said claims of said defendants may be adjudged to be null and void; that plaintiff's title to said real estate may be quieted in plaintiff; that the claims and they be forever enjoined from asserting such claims against said land; that the cloud thereby may be removed, and for such other and further relief as equity and nature of the case may require and to the court may seem just and proper.

Said defendants are required to answer said petition on or before the 13th day of April, 1917, or judgment will be taken against them.

W. G. Dorman, Atty. for Plaintiff. 48-
